Situation in occupied Palestine

Report of the Secretary-General

1. At its fifty-second session the Commission on Human Rights adopted resolution 1996/5, entitled "Situation in occupied Palestine". In this resolution, the Commission, inter alia, called upon Israel to comply with its obligations under the Charter of the United Nations and the principles of international law, and to withdraw from the Palestinian territory, including Jerusalem, and the other Arab territories which it had occupied since 1967 by military force, in accordance with the relevant United Nations resolutions. It requested the Secretary-General to transmit the resolution to the Government of Israel and to all other Governments, to distribute it on the widest possible scale and to make available to the Commission on Human Rights, prior to the convening of its fifty-third session, all information pertaining to the implementation of the resolution by the Government of Israel.

2. In accordance with these requests, the Secretary-General on 28 May 1996 addressed a note verbale to the Minister for Foreign Affairs of Israel and to all other Governments requesting information pertaining to the implementation of the resolution by the Government of Israel.

3. No reply from Israel had been received at the time of the preparation of the present report.
